Background:

For more the 40 years, the Heimlich Maneuver® has been used to help save choking victims. On Sept. 28, the American Heritage Girls' Staff will partner with Heimlich Heroes™, an interactive, education program designed for kids ages seven and older, to learn about the importance of the Heimlich Maneuver™. Heimlich Heroes' goal is to make sure everyone has the opportunity to learn the maneuver so that anyone can save a life and prevent a choking death. The two organizations have entered into a strategic partnership to exhibit the value in learning this important skill for the girls, Troops and community.
